CNH Industrial N.V. was incorporated in November 2012 and became operational in September 2013 as a result of the mergers of Fiat Industrial S.p.A. and CNH Global N.V.

Fiat Industrial first began operations as a global leader in the capital goods sector on 1 January 2011, following the demerger of the activities of Iveco, CNH and FPT Industrial from Fiat S.p.A.. CNH, a world leader in the agricultural and construction equipment businesses, was established on November 12, 1999, through the merger of New Holland N.V. and Case Corporation.

CNH Industrial Village  
Awards

CNH Industrial's brands bring forth a rich history that dates back more than 170 years. Today, the company's expertise spans industries and continents, building upon a great tradition of historic achievements and significant contribution to the development of technological know-how in the industries in which it operates. CNH Industrial's brands continue to build upon this base as they deliver their customers with state-of-the-art technology as global leaders in their respective businesses.

**CNH Industrial**  
CNH Industrial, a new Group created from the merger of Fiat Industrial and CNH Global, is a solid, major industrial enterprise; a global leader in capital goods, uniting CNH's agricultural and construction equipment operations with Iveco trucks, commercial and specialty vehicles and FPT Industrial's broad portfolio of powertrain applications. Across its 11 brands, 84 manufacturing plants, 49 research and development centers, a workforce of more than 68,000 people and some 6,000 dealers, CNH Industrial is present in 190 countries giving it a unique competitive position. The Group has the flexibility to pursue the most advantageous strategic options and capitalize on opportunities for growth and consolidation consistent with our ambitions for it to become a leader in the sector.
